

Contractor Managing General Insurance Agency  
National Contractors Insurance Company

Stingray One/10 – Contractors General Liability

Special Features: TPA / MGA Commission Module

Contractor Managing General Insurance Agency, (CMGIA) is the exclusive managing general underwriter for National Contractors Insurance Company, Inc. a Risk Retention Group, a formidable force in the contractor insurance marketplace. The professional relationship with National Contractors Insurance Company, Inc. a RRG allows CMGIA to dedicate effort to servicing the insurance needs of contractors across the United States.

CMGIA concentrates solely on the insurance needs of contracting professionals. These include more than 50 classes of businesses. Strongly committed to this marketplace, we work enthusiastically with agents to provide the best solutions for their clients.

Stingray automates the operations of both the Company and MGA. Through a unique module within Stingray, a commission structure and split feature is in place which demonstrates the flexibility of Stingray design. Most other software vendors could not accommodate the specific needs, making Stingray stand head and shoulders above the rest.

Business is generated from independent agents via the Stingray agent web portal system insuring proper risk placement, underwriting and rating through use of our visual rules development process.
